Breastfeeding Coordinator

April 22, 2020: MPHI ILC in Okemos

Time Savers Teaching Milk Expression

April 23, 2020, 9 am - noon: MPHI ILC, Okemos

This training will provide new local WIC agency Breastfeeding Coordinators with the necessary information, skills, and administrative tools to train their local WIC staff on how to effectively and efficiently provide information on breast pumps and hand expression of milk to WIC participants. Experienced Breastfeeding Coordinators who have not attended a previous training are welcome to attend. Since this is a train the trainer format, it is limited to one representative per agency. Register [HERE](#).
